Dear Nili.

What I presented was an invitation to speak in support of the Foundation Centro Fox, dedicated to attend education and leadership for poor kids, indigenist kids, humble families.

Of course we will cover bussines class tickets and travel expenses.

Yes we can do it with the agency but I would like to request from you a very special consideration on your part.

As I mention we will need your participation in 2 days and 3 events.

If you think is convenient to speak to the agency, please let us know how to speak to them.

Hope we can visit your wonderful country very soon and have the opportunity to see you.

Warm regards.

Vfox.

Dear Marta,

Although both our husbands succeeded to talk - the connection was poor, we were in a vehicle driving in Rome, Italy, and it was quite difficult to understand.

What Mr. Barak understood is that you are going to visit Israel and we shall have a meeting while you are in our country.

The subject of a speech was not understood by Mr. Barak or else he would have told you that he is attached with a contract to an agent and every proposal of that kind has to pass through the agent.

would you like me to convey to you the contact information of the agent to continue the discussion?

I hope you apart from the great work that you are doing through your fund, you have the time to enjoy life and come to visit the Holy Land. we will be delighted to meet you then.

warm regards,

Nili Priell Barak
